

Security Provisions

1. SECURITY REGULATIONS

- A. Contractor and/or subcontractors or referred personnel shall cooperate with institutional authorities by observing and complying with all California Department of Corrections rules and regulations presently enforced.
- B. Contractor shall not cause undue interference with the operations of the institution.
- C. No picketing is allowed on State property.
- D. Contractor will ensure that employees have read the "Digest of Laws Relating to Association with Prison Inmates", prior to beginning work. Contractor is responsible for the supervision of its employees and is cautioned to train and re-brief employees on the provisions of the Digest as necessary.

2. GATE CLEARANCE

- A. All Contractor's employees must be cleared prior to undertaking service. The Contractor will be required to complete a Request for Gate Clearance for all persons entering the facility a minimum of five (5) working days prior to commencement of service. The Request for Gate Clearance must include the person's name, social security number, valid state driver's license number or identification card number and date of birth. Information shall be submitted to the Contract Liaison or his/her designee. CDCR uses the Request for Gate Clearance to run a California Law Enforcement Telecommunications System (CLETS) check. The check will include Department of Motor Vehicles check, Wants and Warrants check, and Criminal History check.
- B. Gate clearance may be denied for the following reasons: individual's presence in the institution presents a serious threat to security, individual has been charged with a serious crime committed on institution property, inadequate information is available to establish positive identity of prospective individual, and/or deliberate falsification of identity by the prospective individual.
- C. Contractor must notify the PIA of any changes of those personnel allowed access to State premises for the purpose of providing services outlined herein. The State reserves the right to conduct fingerprinting and clearance of all Contractor's personnel through the Department of Justice, Bureau of Criminal Identification and Information prior to being permitted access to the premises.
- D. All persons entering the facilities must have a valid state driver's license or photo identification card on their person.
- E. Bidders, Vendors, Contractors or their representatives are not allowed to bring onto CDCR institution grounds the following: (this list is not all inclusive) Weapons, Cameras, Tobacco Products, Alcohol, Drugs, Drug Paraphernalia, Wireless Devices (such as Pagers, Blackberries, and Cellular Phones).

3. VEHICLES, PARKING AND SITE ACCESS

- A. As directed by the Entrance Gate Officer and PIA Project Representative, the Contractor and its employees may enter the institution through the main entrance gate. Private and non-essential vehicles shall be parked in the visitor's lot.
- B. All persons shall remove ignition keys from their vehicles when they are out of the vehicle. Unattended vehicles shall be locked. Contractor's equipment shall be rendered temporarily inoperative when not in use, by locking or other means. Loss of time in checking in and out shall be borne by the Contractor.
- C. In order to maintain prison security, searches on site may become necessary, and keys must be furnished to provide access to all locked areas or places on the site and for

periodic fire prevention inspections. The State shall in no way be responsible for the Contractor's loss due to fire.

4. CLOTHING/ATTIRE

Contractor agrees that while on institution grounds, all agents, employees, and/or representatives of the Contractor shall be professionally and appropriately attired and shall work in clothing distinct from that worn by inmates at the institution. Contractor's employees will not wear blue or gray denim jeans/pants/trousers or chambray shirts as this is inmate attire. Also, Contractor's employees shall not wear orange/red/yellow jumpsuits or rainwear. These requirements apply when entering and exiting the institution through all entrance gates.

5. TUBERCULOSIS TESTING

A. Prior to the performance of contracted duties, Contractors and any employees and/or sub-contractors who are assigned to work with inmates on a regular basis shall be required to be examined, tested, or medically evaluated for TB in an infectious or contagious stage, and once a year thereafter or more often as directed by CDC. Regular basis is defined as having contact with inmates in confined quarters more than once a week.

B. Contractors and any employees and/or sub-contractors shall provide to the CDC, at no cost to the state, a CDC 7336 Employee Initial/Annual Tuberculosis (TB) Skin Test, and a CDC 7354 TB Infectious Free Staff Certification, prior to assuming any contract duties, and annually thereafter, as evidence that the Contractor and any employees and or sub-contractors have been examined and found free of TB in an infectious stage. The CDC 7336 and the CDC 7354 will be provided by the institution upon Contractor's request.

6. LIABILITY FOR LOSS AND DAMAGES

Any damages by the Contractor to the State's facility including equipment, furniture, materials or other State property will be repaired or replaced by the Contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due Contractor under this contract.

7. WORK AREA

Contractor will ensure that the work area is kept clean and free of debris, as necessary, to maintain a safe working environment for staff and inmates. While working on equipment, Contractor agrees to perform services with as little disruption to the State's operations as possible. All tools, equipment and other work materials belonging to the Contractor will be removed from the Institution at the end of each working day. The State shall not be responsible for storage of any Contractor property.

8. EQUIPMENT

A. Restrictions may be placed on the quantity and type of equipment and materials left within existing facilities during breaks, meals or at the end of each work day.

B. All Contractor-owned equipment shall be stored and secured at the close of the day in a place of security provided by the Contractor, and as approved by the PIA Project Representative. The Contractor shall be required to maintain an inventory sheet of equipment stored or used which shall be checked at the beginning and at the end of each work day to verify that all equipment are present and accounted for. Immediately upon discovery of the loss of any equipment or materials, the Contractor and/or his employees

shall report the loss to the Contractor Manager or his/her designee. The State of California or the Institution shall not be responsible for any loss due to theft or otherwise.

C. Material and equipment storage shall be located as close to work areas as custodial regulations permit. The PIA Project Representative or his/her designee shall coordinate use of property areas with the Contractor to ascertain if the Contractor's needs are met to the fullest extent possible.

9. INMATE, PAROLEE, EX-OFFENDER NOTIFICATION

Contractors are encouraged to employ inmates, parolees, and ex-offenders of the California Department of Corrections and Rehabilitation. Contractors who employ these individuals must notify the Prison Industry Authority and provide PIA with the job description, including duties and responsibilities for each such employee. Contractors shall obtain from the Prison Industry Authority Contract Manager approval of such employees involvement in work performed during the course of the contract.

10. LAWS, RULES, AND REGULATIONS

During the term of this Contract, the contractor, contractor personnel and other persons acting on behalf of (or at the direction of) the contractor must comply with all provisions of the law, rules, regulations, policies and/or directions regarding conduct that must take place or that may not take place while the contractor, contractor personnel and any other person acting on behalf of (or at the direction of) the contractor is in any facility or is on any property owned or used by the State of California or by any agency, department or other subdivision of the California State government. The provisions of the law, rules, regulations, policies and directions that are the subject of this provision of this Contract include those that are in effect at the inception of the Contract and also those come to have effect during the term of the Contract. Any violation of this provision of this Contract shall constitute a material breach of the Contract.

11. DIGEST OF LAWS RELATED TO ASSOCIATION WITH INMATES

A. For information and guidance of persons visiting or working with or around inmates of the Department of Corrections and Rehabilitation, the following is a digest of laws and rules related to association with inmates.
