### **Green Valley Training Center in Folsom**

You are cordially invited to an "open house" tour of CALPIA's newest modular building solution. The Emergency Operations Center (EOC) modular building is designed specifically to meet the needs of emergency incident management teams. The EOC solution is ideal for public safety coordination of state, federal, and local entities and the prototype is available for training.

Please come and enjoy our hospitality at the most scenic location in Sacramento County with stunning views of Folsom Lake to downtown Sacramento!

We would encourage you to invite your colleagues to join us and would appreciate your RSVP to Dawn Eger, CALPIA Executive Office at (916) 358-1711 or [dawn.eger@calpia.ca.gov](mailto:dawn.eger@calpia.ca.gov) if planning to attend
